Day Bible Reading Program

Read the entire New Testament in 2019!

This special Bible reading system allows you to read the entire Bible (or just the New Testament) in one year while only reading five times a week. Five readings a week gives room to catch up or take a needed day off, and makes daily Bible reading practical and do-able. Many people have successfully reached their goal of regular Bible reading using this schedule. Further, reading the Bible in chronological order (even the Psalms have been placed chronologically when possible) aids understanding of the Bible story, and helps the reader to look forward to reading God's Word.

Always do the reading in the order it appears on the Schedule. So, for example, if a reading from Chronicles appears before Kings in that day's reading, read from Chronicles first. Check off each day's reading and then check off each week in the Weekly Progress Register. You will be amazed at how soon you are deep into the year and still reading your Bible regularly! God's blessings rest with those who will read, understand, and live by His Word. May this guide help you to that noble end. "Thy word is a lamp to my feet, and a light to my path" (Psalms 119:105).
